Developing Kingswood House School for the Future

The Kingswood House Development

Kingswood House is a highly successful school with an enviable track record and a deserved reputation for getting the best out of all its pupils, across a wide range of academic, sporting and artistic abilities. It offers a vibrant, happy and supportive learning environment which is immediately apparent to anyone entering the School and is often remarked upon by parents, prospective parents and other visitors.

The School's Governing Body has decided that the time is right to upgrade the physical facilities to a level commensurate with the rest of the school environment. Following on from the successful completion of our Study Centre, we are planning to embark on a development programme which will include:

- A Junior Department
- A Pre-Prep Department
- Humanities Classrooms
- A Sports Hall and Swimming Pool

The project will ensure all areas of the School offer a first-rate physical environment for learning and will give all pupils the chance to develop further educationally, creatively and physically. This project is The Smart Way Forward to help us achieve our goal to offer an excellent all-round experience at Kingswood House and give the children the time of their lives.

Our Vision

The School will be making a substantial financial investment into this exciting development.

Our first project will be to build the Junior School at a cost of approximately £750,000. This will be followed by a new Pre-Prep Department which will cost in the region of £500,000 and later the Humanities classrooms at a cost of approximately £250,000.

Enriching the experience

In addition we would like to transform the sporting facilities with a new Sports Hall at a cost of approximately £600,000.

The Sports Hall will be complemented by an indoor swimming pool, which will be built at a cost of approximately £400,000.

We need your help

We have the majority of funds required to build the Junior Department, the Pre-Prep Department and the Humanities classrooms but **we need your help** to be able to complete our Development project.

Can you support us in this venture?

You can be part of something very special indeed and be remembered forever as a benefactor of Kingswood House. By becoming part of our future you will help us realise our ambition to be the very best prep school offering first class facilities.

The Governors, the Senior Leadership Team, the staff, the parents and the pupils make this a very, very special place to belong to. Remember, you are part of this family and we want you to believe in us. We have only approached you because you have in some way experienced the magic that is Kingswood House.

There are so many ways you can help, large or small, and your contribution will make a difference.

There are lots of opportunities to play sport at Kingswood House but a Sports Hall would give us even more and make a huge difference.

Year 7 pupil

How can you help to make a difference?

Kingswood House is rich in many and varied ways, but school fees are not set to generate a substantial surplus for reinvestment so we are asking for your help to assist us in making this wonderful project a reality.

Your donations will make an incredible difference to the pupils and staff at Kingswood House today and in the future. It is easy to make a gift to Kingswood House School and, as we are a registered charity, gifts can be tax efficient...

Gift Aid

If you are a UK tax payer, for every £1 you donate, the school can currently claim 25p from HM Revenue & Customs.

We reclaim the tax by forwarding your details to HM Revenue and all you need to do is to fill in a Gift Aid declaration form. If you are a higher-rate tax payer, when you report the donation in your Self Assessment tax return, you will be refunded the additional tax you have paid on your gift.

This is such a great place that I'm planning to give all my pocket money to help my school become even better.

Year 5 pupil

Ways in which you may contribute

There are a variety of ways in which you may help us:

Naming Rights

Exclusive naming rights are available for:

The Sports Hall	£250,000
The Swimming Pool	£200,000
The Junior Department	£100,000
The Pre-Prep Department	£50,000
Humanities Classrooms	£25,000
Individual Classrooms	£10,000 each

Buy a Brick

Or you may prefer a once in a lifetime opportunity to forever have your name engraved on a brick. You can buy a brick for £200.

Single Gifts and Regular Giving

Single Gift	Total value to school	Net cost to Donor		
		Paying basic rate (20%) tax	Paying higher rate (40%) tax	Paying additional rate (50%) tax
£1,000	£1,250	£1,000	£750	£625
£5,000	£6,250	£5,000	£3,750	£3,125
£25,000	£31,250	£25,000	£18,750	£15,625

The table below illustrates how easy it can be to make a significant gift to the School by spreading the payments over a number of years.

Monthly Gift	Annual Gift	Net cost to Donor (40% tax payer)	Total value to School	Total values to School after 3 years	If 50 Donors gave it would amount to
£25	£300	£225	£375	£1,125	£56,250
£50	£600	£450	£750	£2,250	£112,500
£100	£1,200	£900	£1,500	£4,500	£225,000

The figures above are based on 2012/13 income tax rates.

A photograph of four young boys in school uniforms, smiling and looking towards the camera. They are wearing grey V-neck sweaters with green and white striped V-necklines and green ties. The boy in the center is the most prominent, with the others slightly behind him. The background is a soft-focus green foliage.

The Smart Way Forward

Your donation matters...

No matter how small a gift is, it is important. It represents a decision. When more people give, it shows they care about Kingswood House School's future. To this end we will recognise all donors unless anonymity is requested.
