

KHA NEWS Dec 2016

A round up of this term's events and activities

The comedy and curry night kicked off this term's events with a side splitting start: 3 top class comedians and an outstanding compare had the audience weeping with laughter and clutching their bellies; full of a magnificent feast from Epsom's 'Blue Mint' curry house.

The second hand uniform sale and 'Phil the Bag' initiative raised over £700 - We are always keen to accept any donations of good quality uniform via the school office.

Great attendance plus a clear dry evening ensured that our Fireworks night went off with a massive BANG! A magnificent display, set to music, had children and adults whooping. The BBQ, Bar, Sweets and Glo Sticks stalls were busy all night and 3 lucky winners went home with some fantastic raffle prizes.

The festive season began when some KHA elves snuck in one morning to decorate the tree in the school hall. We had plenty of orders for mugs - which you should all now have received - this helped contribute to the Christmas Party entertainment, Theo the Magician, who bamboozled pupils and staff with some amazing close-up magic yesterday.

DIARY DATES - Reminders and details to follow
