Dear Parents

I was pleased to welcome the boys back for the start of the summer term with some long-awaited sunshine and warmth!

In my start of term assembly, I reminded the boys of our core values and challenged each individual to set their goals for the term ahead. There are just fifty full school days until we break up for the summer holiday and in the words of the great Muhammad Ali, it is important to make them all count!

There are many showpiece events for us all to look forward to, starting with our Public Speaking Competition Final next week, and I trust that each boy will contribute fully to school life, both in and out of the classroom.

Yours sincerely

Duncan Murphy
Headmaster

An early challenge this term for some intrepid climbers to take them out of their comfort zone!

IMPORTANT MESSAGE: Please be aware that the One Note seminar scheduled for parents on Tuesday 24 April has been postponed. It will be rearranged at the start of the autumn term at a time when more parents are able to attend.

World War 2

Year 3 had fun starting off their World War 2 topic by investigating artefacts borrowed from Bourne Hall Museum.

Mrs Dean

Congratulations

Mete Tuncer has been selected to be a part of the Surrey Under 13 Rugby Union development squad.

He was delighted to receive the good news yesterday.

Forest School

Jay and the boys were making bug hotels for the bugs they collected when they went on the walkabout.

Mrs Marskell

Cycling Instructors wanted !

The Cycle Training Team at Surrey County Council are recruiting for Cycling Instructors.

We hope that this may appeal to those looking for a rewarding role.

We find that often parents are very interested in this role even if they are not actually looking at job sites.

Please follow this link - <https://www.surreycc.gov.uk/jobs> and search for "Cycling Instructor".

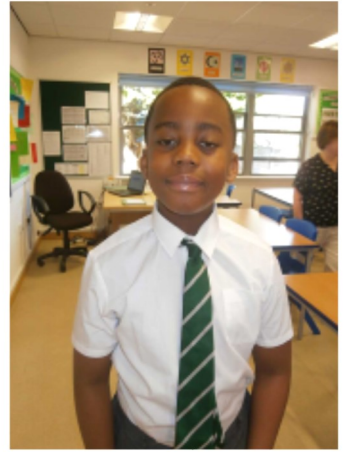

LOWER PREP MONITORS

I am pleased to announce our new Lower Prep monitors for this half term are :

Theo Jenkins , George Harvey, Otis Edwards and Joel Mukarati.

Well done, boys!

Miss Walliss

Golfing Success

During the Easter holidays a few staff members took part in the inaugural 'Marler Invitational' golf tournament.

After 18 holes and some brilliant scrambling golf from Mr Clarke and Mr Cowie the KHS team emerged victorious.

A great day was had by all and we look forward to defending the title next year.

Mr Russell

Lungi Sierra Leone

For a number of years now the school have supported the Lungi Sierra Leone charity. This charity is run by a local couple with help from friends both in the UK and in Sierra Leone. Over the years they have built a primary and secondary school in a small village near Freetown and set up a motorbike ambulance service. More recently they set up a diagnostic laboratory, a blood bank and are now starting on a new pre-school. Their aim is to advance education and training, relieve poverty and distress, and promote health within the Tintafor, Kamasondo, Benkeh district of Lungi.

Over the May half term a number of us are going out to visit the school and meet the villagers and we would like to ask if anyone can donate a few items for us to take over. High on their list is waterproof clothing such as mackintoshes, anoraks and cagoules, as it rains hard for six months of the year. Mainly for adults (teachers) please but children's would also be appreciated. They are also keen for some small musical instruments and any easily transportable teaching aids. Anything you can donate will be very much appreciated.

With many thanks for your consideration.

Mrs Witts

The 1918 flu pandemic

Saturday 12 May 1pm to 2.30pm

The 1918 flu pandemic was a lethal outbreak of influenza which infected 500 million people around the world, including remote Pacific islands and the Arctic, and resulted in the deaths of 50 to 100 million (three to five percent of the world's population) making it one of the deadliest natural disasters in human history. It killed the young and not the old, and was spread around the world by troops returning home after the First World War. It was known as Spanish flu because the other warring countries of Europe would not admit to having it – Spain did because it was neutral, and its King almost died. Discover the effects of this outbreak and the efforts to counteract it.

Discover Dad's Army

Wednesday 30 May 2pm to 3.30pm

On Friday 10 May 1940, the Germans had started their attack on Belgium and the Netherlands using soldiers dropped by parachutes. British troops in mainland Europe were pushed back to the Channel ports. Many people feared that the Germans would soon invade Britain. To protect Britain, a new part-time force was to be set up, the Local Defence Volunteers. The Government made an urgent appeal on the radio to all men aged between 17 and 65 to become part-time soldiers. Within 24 hours of the radio broadcast a quarter of a million men had volunteered. Many of the men who joined the Home Guard were those who could not join the regular army because their day-time jobs were necessary to keep the country running. They included farm workers, bakers, teachers, grocers, bank staff and railway workers. Other men who joined were either too young or too old to join the regular army. They were given military style training, although at first they had no uniforms and little equipment. The public were invited to give shotguns and pistols and within a few months over 20,000 weapons were handed in. At the end of July they were changed from Local Defence Volunteers to the name we remember them by, the Home Guard.
