## The Kingswood House Way

Dear Parents

A big thank you to the KHA for arranging a super quiz last week. Congratulations to “The Wooden Spoons” who relieved the teachers of their annual silverware for the first time in a while – I understand from my sources that the selection process is under intense scrutiny for next year’s staff team!

I also enjoyed a lively topical assembly by Form 8T about Lent. The boys managed to interweave sophisticated humour together with interesting historical context and deserve huge credit for both penning their own scripts, and acting out, an impromptu sketch in front of an appreciative audience.

Next week, I am accompanying many of our Year 7 and 8 boys on the annual Jersey Trip. It is a wonderful opportunity for the boys to cultivate a strong team ethic away from the security of home – I just hope that the weather forecast improves before our departure on Tuesday!

Yours sincerely

Duncan Murphy  
Headmaster

## WORLD BOOK DAY

Year 4 had a fantastic World Book Day and came into school dressed in a range of costumes! They took part in activities based on the book 'Journeys' by Aaron Becker, including acting out their own versions of the story and drawing an illustration to show where they would travel if they had their very own magic crayon.

They then created their own mini books and filled them with wonderful ideas for their own journeys. We were so impressed with how hard the boys worked and how great their team working was!

# WORLD BOOK DAY

Here are some wonderful 'World Book Day' costumes from boys in Year 1 and Year 2!

Mrs Henery

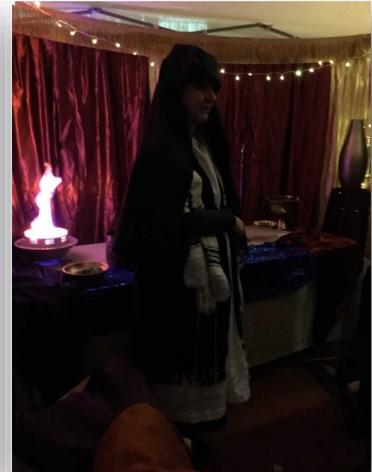

Great costumes from 6C! Well done, boys!

Mrs Celentano

Year 5 went to Christ Church Epsom on Tuesday to learn about **The Easter Experience**. This workshop was run by Spinnaker and they explained the meaning of Holy Week.

**Mrs Weston**

### A very special DT lesson

“Today we went to the DT room and we made the base of our Anglo Saxon shields. It was amazing! We learnt how to use a glue gun and a sander“. **Sam A, Byron M and Frankie L Year 3**

In maths, Reception boys are learning about weight and height.

The boys had to hold a potato on one hand and a ball of cotton wool in the other and tell us which one was the heaviest and which the lightest. They all had a good giggle at holding the potato.

They then had to say which one of them was the tallest and shortest. We measured them and recorded their height on the chart.

They all had a great deal of fun.

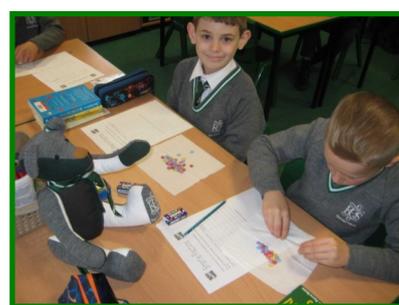

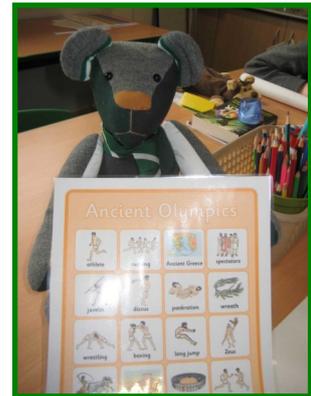

**Mrs Marskell**

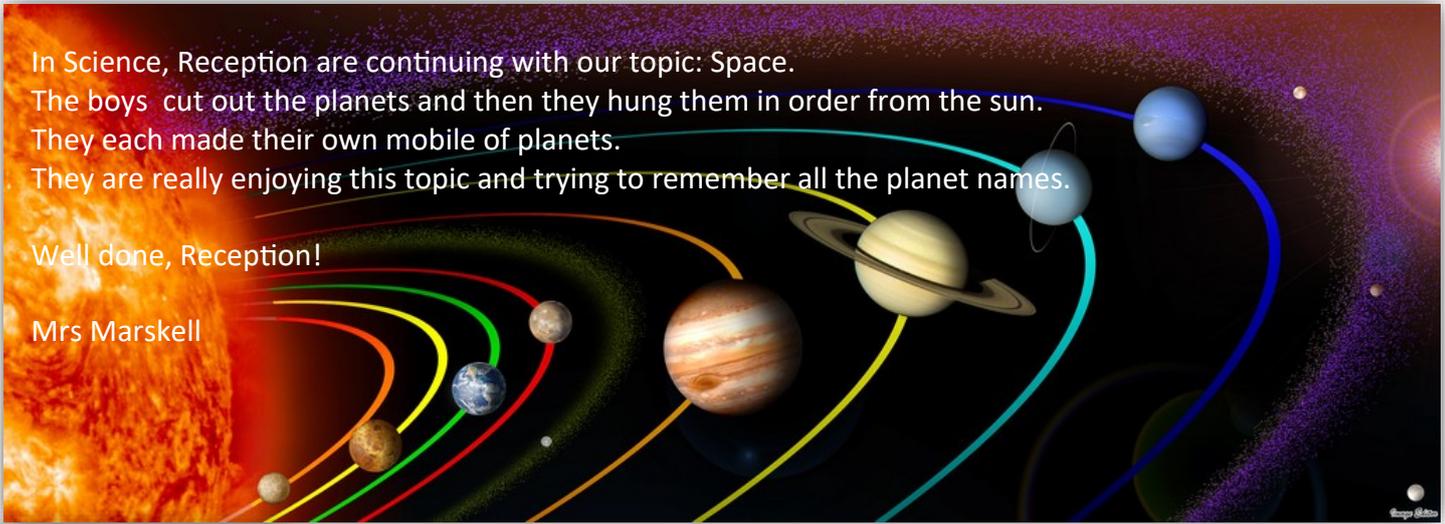

**Kingsley** has enjoyed a busy week with 4S. He has learnt about equivalent fractions in Maths and joined in several carpet discussions. He even joined us in the computer suite where the boys have been learning to touch type! The boys have also been learning about the contrast between modern Olympics and Ancient Greek Olympics.

In addition to all our usual learning, Year 4 and the rest of Lower Prep have been set the challenge of a Readathon for Book Week. I wonder how many books Kingsley has managed to read over the week?

**Miss Smith**

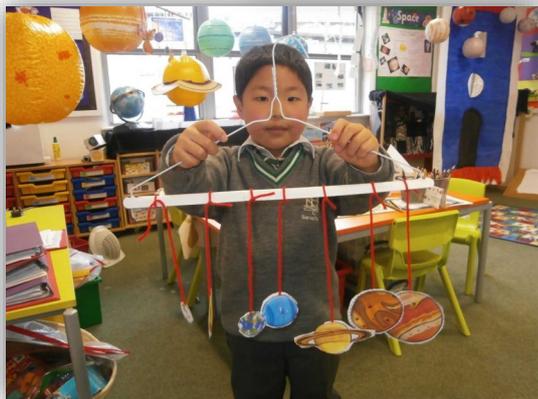

In Science, Reception are continuing with our topic: Space.  
 The boys cut out the planets and then they hung them in order from the sun.  
 They each made their own mobile of planets.  
 They are really enjoying this topic and trying to remember all the planet names.

Well done, Reception!

Mrs Marskell

6C thoroughly enjoyed learning about famous scientists and their discoveries.  
 The boys then used iPads to research their favourite scientist.  
 Using their research, they then created fact files.  
 Here is some of the best work on display:

Mrs Celantano

The construction of our **Motte and Bailey** castles is underway! Year 6 are thoroughly enjoying making their own Motte and Bailey castles. I have seen some great teamwork and effort.

Mrs Celentano

## Maths Family Fun Puzzle

Week 6

The Dog ate it....

Harry didn't have his homework AGAIN but this time he had an excuse. "The dog ate it, Sir!" he said handing over a small chewed up piece of paper and five numbers which were unreadable. "I remember that the range was 9, the mode and median were 12 and the mean was 11."

Use Harry's information to find the data he used

Solution- Week 5

16 2 2 1

Other solutions are possible and all answers will be checked and points awarded for correct variations.

Here is one possible solution

$$\begin{aligned} 16/2 &= 8 \\ 2 + 1 &= 3 \\ 8 \times 3 &= 24 \end{aligned}$$

EXT: For bonus points (+ 10) try using 3 3 8 and 8 to make 24

To celebrate Shrove Tuesday, Reception, Year 1 and Year 2 made pancakes.

They all had a lot of fun tossing pancakes.

Some of them had honey and chocolate toppings. They all tasted a lemon - we had a few funny faces!

Mrs Marskell

In **Gardening Club**, the boys had a lovely time planting out different colourful flowers.

They planted Pansies and a Clematis.

Well done, boys!

**Mrs Marskell**

A drawing of Spiderman in a KHS uniform by Ben H, 6L. Excellent work, Ben!

## Wednesday Wander

### Wanderers Wanted!

It's not often we encourage our minds to wander during the school day, but we are doing just that!

A recent study has found that the positive effects of a single exposure to nature, such as a walk, can last for 7 hours! Being active has a whole range of benefits when it comes to mental wellbeing; it can improve self-perception, self-esteem, mood and quality of sleep.

Each Wednesday, Miss Wilson will be taking out a small group of boys in Year 7 - 11 for a short walk between 1.30pm and 2pm. We will explore the local area, including Stamford Green, Epsom Common and Court Recreation Ground.

For more information about Wednesday Wander, please get in touch via the school office or email [h.wilson@kingswoodhouse.org](mailto:h.wilson@kingswoodhouse.org)

**Start date: Wednesday 6<sup>th</sup> March**

**Time: 1.30pm – 2pm**

**Where: meet at Miss Wilson's office (Assistant SENCo Office)**

*Join Miss Wilson and you could see where these visitors to KHS normally live ...*

## KHA SOUVENIR PROGRAMME

The KHA are offering you the chance to advertise your company, or perhaps send a personal message to your family in the **Souvenir Programme** at this year's Summer Ball.

The Souvenir Programme will also include the evening's events and raffle prizes, and will be of A5 size, they will be placed on the tables on the evening of Saturday 15th June.

The cost will be £50 for a quarter page, £100 for half a page and £200 for a full page.

We have a limited number of spaces and, at this stage, we are just offering exclusively to KHS families.

If you are interested please contact Lisa Reece

## Junior House Rugby

Last week the Lower Prep House Rugby took place at school in front of a large crowd of parents and teachers. A wonderful spectacle on the school field displaying all the boys' considerable rugby talent. There were some very competitive fast-paced games, which saw some truly outstanding tries from all teams. The house matches have been a wonderful way to round off a very successful, action packed rugby season and it was great to see so many parents there to support the boys. All the matches were closely fought and the results were as follows:

1st Nelson      2nd = Drake and Marlborough      4th Wellington

I would like to congratulate all the boys who took part and earned their house some valuable house points for the ongoing competition.

**Mr Laudy**

The U9's played a great hockey match against Belmont. Well done, boys!
