Dear Parents

Kingswood House teaching and support staff are very proud of this cohort of Year 11 pupils who worked with great endeavour and tenacity to achieve outstanding results, both individually and collectively, set against the backdrop of Covid-19.

This summer has been uniquely challenging given the unprecedented situation of school closure as well as recent upheaval about the validity of public examination results thanks to the infamous OFQUAL algorithm. The robust application of our own procedures for obtaining accurate Centre Assessment Grades at Kingswood House proved to be extremely useful. Consequently, the excellent results of our boys are not only fully accredited but will also enable each individual to progress to their sixth form of choice in the new academic year.

We are proud that a KHS education has added significant value to the attainment of each student and instilled important life skills which will serve them well for the future.

Yours sincerely

Duncan Murphy, Headmaster

100 % at Grades 9-4 (A*-C)

52 % at Grades 9-6 (A*-B)
