Advice for Parents

Number 1 Top Tip :

Get your son to school every day and make sure he gets to school on time...

95 % attendance =

- Half a day of lessons missed every two weeks
- Two weeks of lessons missed each year

This is the equivalence of almost a whole years' lesson for one GCSE subject!

Advice for Parents

- ▶ Communication
- ▶ Structure/routine
- ▶ Encourage your son to set SMART targets
- ▶ Encourage your son to use the 80/20 rule(Pareto Principle)
- ▶ Get a head start on Sixth Form/College options
