Chair of Governors: Mr Chris Shipley

Dear Parents,

May 2021

School Fees 2021-2022

The pandemic has tested the entire School Community and caused ongoing hardships and crises for many of our families. Everyone at the School has pulled together and gone to extraordinary lengths to provide the best possible continuing education for all of our pupils, and you, the parents, have been magnificent in giving your wholehearted support to Kingswood House. On behalf of the Governors, thank you so much to each and every one of you.

At this time of year, we need to look ahead, hopefully to a less traumatic and more stable period. In reviewing the School's budget for the forthcoming academic year, we have cut out as much expenditure as we possibly can, while maintaining the School's key objectives and values. One of these key objectives is the introduction of co-education in September 2021, which initially requires only minor changes to facilities and no additional staffing costs. In addition, day to day costs have been trimmed where possible and supplier increases kept to the minimum.

Yet some cost increases are inevitable and other one-off costs are necessary, including the renewal of the much-used, all-weather AstroTurf.

Taking everything into account, and attempting to achieve the fairest balance we can, the Governors have settled the following termly fees for the academic year starting in September 2021:

Reception to Year 2: £3,500

Years 3 and 4: £4,975

Years 5 and 6: £5,190

Years 7 and 8: £5,250

Years 9 to 11: £5,570

Yours sincerely,

Christopher Shipley
