Fencing is an exciting, physically and mentally demanding sport that offers the challenge of combat in complete safety. It promotes physical fitness and agility, speed and precision, but is also dependent on mental speed and reasoning. Elements of mindfulness are also explored. Fencing is one of four sports which have been featured at every one of the modern Olympic Games since 1896.

UKULELE CLUB

Music Room Thursdays

Years 4-5-6-7 1.00pm

Years 8-9-10 1.30pm

Ukulele is a fun and portable instrument to learn and it's been making a big comeback with artists like 21 Pilots and Taylor Swift all playing the Uke. The ukulele is quick to learn and many songs can be played on the ukulele. Guitarists can switch easily between uke and guitar and it's a great instrument to play and sing at the same time. Ukulele club will be run by resident 'Kingswood House School' guitar tutor Steve Bradfield.
