G	Not appreciating that Secretary of State has a statutory power to order schools to remain open.	Governors will abide by all regulation and communication from the Secretary of State and keep the school open until advised otherwise.	Governors	Maintain current procedures
H	Insufficient liaison with local authority and health protection team over testing and actions.	DfE and HPT contacted for advice and action when positive case confirmed at school. All advice communicated to school community as required.	SW and DM	Maintain current procedures
I	Active engagement with NHS Test and Trace not implemented and the procedures not understood by all staff and parents.	Full details of how we engage with NHS Test and Trace set out in our Plan and Procedure which has been sent to staff, governors, and parents as above. QR code on display in the school office for use by visitors – 30/9/2020.	School community	Changes to be notified to school community as they arise
J	Insufficient systems and staff to support training, testing and contact tracers.	Bursar to determine contacts and report to DfE as required. All staff and pupils tested or in isolation documented. Lateral flow tests to be started in school when possible for all staff and pupils in Years 7-11 when on site. All staff emailed training link to complete online and certificates filed by Bursar and training on site took place on 4/1/21. After lockdown announced, many of the trained staff are not now available to complete the testing. This	SW	Maintain current procedures and commence testing when possible.

		will recommence when further staff or volunteers trained.		
K	Staff, parents, visitors, contractors (and pupils) do not understand and follow NHS Test and Trace procedures.	Staff, parents and pupils kept informed of all school procedures and advice given to follow NHS Test and Trace if required.	School	Maintain current procedures
L	Testing and Training modules and assessment not completed for specific roles	12 staff members have been trained on all modules to enable advice and reassurance to the school community. All staff met in school on 4/1/21 to go through procedures and to enable Q&A and to ensure everyone knows what they are do.	Testing staff	Maintain current procedures and train more staff as the need arises
M	Training and Testing activities insufficient to provide reassurance including feedback and Q&A?	Careful explanation given to parents on 31 st Dec 2020. Parents and staff to complete and return consent and registration form by 4 th January 2021. Parents and staff have been sent an explanatory leaflet and encouraged to take part in the LFT. 12 staff members trained to take part in the testing and all will complete all modules to enable advice and reassurance to the school community. All staff met in school on 4/1/21 to go through procedures and to enable Q&A and to ensure everyone knows what they are do.	SW	Maintain current procedures
N	Those working in the Asymptomatic Testing Site (ATS) not trained and competent to do so?	All staff working in the ATS are trained, assessed and are competent to do so. Training certificates on file.	SW	Maintain assessments on staff
O	Are those that are self-testing (at home and in school) trained and competent to do so?	Only trained staff self-test in school. We do not have any home testing kits.	Trained staff	Maintain current procedures 8/3/21 Home testing kits for staff distributed to enable them to self-test at home twice a week. Full instructions given to staff.
P	Is it understood which pupils may have difficulty to self-swab. Are those unable to self-swab given additional support and reasonable adjustments?	All staff aware of those pupils who may have difficulty to self-swab. Swabbing is closely supervised and help given to those pupils who are unable to self-swab.	SW	Maintain current procedures

Q	DfE advice to keep groups separate (in “bubbles”) not being fully implemented where appropriate.	<p>Pupils in bubbles as follows:</p> <p>Lower Prep and then Year Groups.</p> <p>Pupils do not mix with other pupils outside their bubble groups all day and everyday unless unavoidable. Form teacher to remain with their class except for subject teachers.</p> <p>Subject teachers to ensure they follow the hygiene protocol before joining and after leaving a classroom.</p> <p>Pupils who are allocated a permanent classroom and desk are to keep to the same desk all the time.</p> <p>For pupils who move classes, the teacher is to ensure each desk is cleaned prior to a new bubble group entering.</p> <p>Sport bubbles to be kept consistent.</p> <p>Bubbles allocated different play areas for breaks.</p>	SW and Staff	<p>SW to ensure cleaning products in every classroom.</p> <p>Bubbles reviewed 6/1/21 for children attending school during closure. Seniors, Years 4-8 and two pupils in Lower Prep will form consistent bubbles.</p> <p>Bubble groups to revert to those in Autumn Term 2020 on return on 8th March 2021</p>
R	Where there is a need to mix bubbles the frequency of changes is not minimised.	Bubbles are only mixed for sport, prep, clubs and minibus and these are kept consistent and only as necessary. Only two bubbles mix for sport and prep. During breakfast and late club pupils are supervised to ensure they maintain 2m distance.	Staff	Maintain current procedures and ensure 2m maintained in breakfast and late club.
S	Each group’s (“Bubble’) health not properly analysed and risk assessed to consider switching to remote learning.	<p>Parents advise office staff if their child is not feeling well. Staff will advise obtaining a test and keeping child at home if Covid symptoms present.</p> <p>Remote learning will be implemented when bubble or a pupil in isolation. Staff are able to do blended learning on Teams for pupils at home.</p>	Office staff and form teachers	Maintain current procedures
T	The definitions of “close contact” and the trigger for a pupil/staff to self-isolate not understood.	<p>Bursar takes advice from DfE on who is a close contact and will implement within the school, i.e. anyone within 1m for more than a minute or within 2m for more than 15 minutes.</p> <p>Staff informed of close contact advice and reminded during weekly staff meetings. Checks made in staff rooms to ensure distance is maintained.</p>	SW and staff	Maintain current procedures

		Parents informed immediately if isolation required and kept informed by regular email.		
U	Record of names of pupils / staff in their groups / bubbles, locations visited, seating arrangements (via App / spreadsheet etc) not updated on a regular basis.	Year groups are bubble groups and form teachers mark each desk with pupil's name. Updated when new pupil enters school. Senior pupils move around classes and desks are cleaned before new bubble group enters class.	Staff	Maintain current procedures and replace cleaning products as necessary. Bubbles/groups reviewed during lockdown for children attending school 7/1/21 Bubble groups reverting to year groups on opening on 8 th March.

10	Pupils not sitting with their 'bubble' on school transport, or with the same constant group of children each day.	<p>Pupils directed to sit as far apart as possible and next to someone in their bubble.</p> <p>Minibus group kept consistent for the year unless new pupils joint.</p>	SW / KH / Drivers	Maintain current procedures
11	Insufficient or no use of hand sanitiser upon boarding and/or disembarking.	<p>Hand sanitiser used by all before and after boarding.</p> <p>Bursar to restock buses when required.</p>	Drivers / SW	Maintain current procedures
12	No additional cleaning of vehicles (all touch points) before and after each journey.	Each driver provided with disinfectant spray, cloth and wipes and advised to clean all tough points such as door handles before and after each journey.	Driver	Maintain current procedures

13	Poorly organised queue and boarding process and SD not observed within vehicles wherever possible.	Driver to ensure orderly boarding onto and off the buses to ensure 2m distance between pupils. Where possible pupils to sit 2m apart and next to other members of the same bubble group.	Driver / pupils	Maintain current procedures
14	Use of face coverings for children under (and over the age of 11) as a mitigating measure not understood by pupils and parents.	As above, parents and pupils aware that all pupils aged 11 and over are to wear masks in the buses. Spare masks provided for each bus in case a pupils forgets theirs.	Parents/pupils/ drivers	Maintain current procedures
15	Measures, in case of emergency, for the movement of a symptomatic pupil by school transport not considered in policy.	In an emergency, it may become necessary to transport a pupil in a minibus who is symptomatic. The pupil will sit in the back of the bus with a supervisor. Full PPE should be worn, i.e. mask, apron, gloves, visor by the pupil and supervisor and driver. After transport, the bus should be thoroughly cleaned in and out with a 'disinfectant' spray suitable for use on Covid-19 and seats and bus fogged.	SW / Driver	Maintain current procedures
16	School vehicles not fully registered, insured, maintained and stocked with appropriate hygiene materials.	All school minibuses are leased, fully insured, registered, maintained according to manufacturers' recommendations and stocked with appropriate hygiene materials.	SW	Maintain current procedures
17	Public transport capacity continues to be constrained. Use by pupils, particularly in peak times, should be kept to an absolute minimum.	Communicated to parents via Parentmail. Pupils reminded during pupil briefing.	SW/ SLT and form tutors	Maintain current procedures

Support Staff Risk Assessment in the COVID-19 Environment

	Hazard	Control Measures	Responsibility	Remarks / Re-assessment
1	Support and contract staff not regularly briefed on changes to school operation.	Support staff are allocated Cascade groups with a member of SLT whose responsibility it is to ensure they are updated regularly on any guidance and process implemented.
