## The Kingswood House Way

Dear Parents

I offer you a warm welcome back to the second half of what promises to be an action-packed autumn term. It is always lovely to start with some good news so I am sure you will join me in congratulating Harriet and Michael Angus who were married over the break as well as Mark Farmer who celebrated a 'milestone' birthday! Upon our return to school, Paul Hylands achieved his 30th anniversary of working at the school – a tremendous effort in this day and age – and he was given a card and gift to reward him for his efforts over the years.

You will no doubt have seen my recent communication in respect of the school site; please kindly take the time to follow the instructions and lodge your objection. The school is in a very strong position but we do not wish to take anything for granted. Thank you in advance for your support in this matter.

Over the last few weeks, there has been a strong focus on English enrichment culminating in the "Reading in Unusual Places" competition - there have been some fantastic entries! For the remainder of term, our enrichment programme moves onto mathematics and there will be some fascinating challenges and events to inspire the students with their numeracy!

Well done to Form 8J who presented this week's assembly about Diwali; the pupils spoke with gusto and knowledge about the cultural traditions of this important Hindu festival. The subject matter also correlated with my autumn "View from the Hill" blog which drew a comparison between the continuity of HM Queen Elizabeth II together with the fall-out of recent events in Westminster – the only saving grace being a 'glass ceiling' broken by the appointment of Rishi Sunak, the UK's first Hindu Prime Minister, as well as the first of colour. You can read the article in full: [here](#).

On a lighter note, I really enjoyed seeing the photograph which was on our social media recently of Miss Luff and Miss Smith at the end of a closely-contested rugby match; these two stalwarts of the game were on opposing sides for Richmond and Beckenham respectively and are great role models for our boys and girls alike.

Finally, many thanks in advance to the new KHA team for their hard work in preparation for Fireworks this evening. I hope it is a super event and look forward to seeing many of you there later on today.

Yours sincerely

Duncan  
Murphy  
Headmaster

**LUNCH MENU for week beginning 07.11.2022**

Monday		Tuesday		Wednesday		Thursday		Friday	
Chicken & Pesto; Pesto (V) Pasta with Garlic Bread	Fresh Fruit; Yoghurts; Jelly	Cottage Pie; Quorn Pie (V) with Steamed Broccoli	Fresh Fruit; Yoghurts; Peaches & Chocolate Sauce	Sausage Casserole; Veggie Sausage Casserole (V) with Mashed Potato & Veg	Fresh Fruit; Yoghurts; Cookies	Cheese Leek & Potato Slice (V) with Roast Potatoes & Baked Beans	Fresh Fruit; Yoghurts; Carrot Cake	Chicken Goujons; Fish Fingers; Salad in a Bun	Fresh Fruit; Yoghurts; Cheese & Biscuits

Mrs Ayeni - parent and member of the KHA kindly looks after the second hand uniform sales. If you need anything please email her directly her email is [yinkaj@icloud.com](mailto:yinkaj@icloud.com) Please note that she will be doing uniform orders once a month, so kindly send your sizes by the 15th of each month (excluding month of uniform sale and December). They will then be completed by the end of each month. Please advise chest sizes and age and for striped sports top which colour you require not the House name.

Please find Mr Murphy's topical thoughts for the week and the pupils who have been 'Mentioned in Dispatches' for something noteworthy recently: [here](#)

**LOWER PREP**

**1M**

Karen L for completing extra homework over the half term. Mrs Martins

**3S**

Ilyas A for being more organised. Miss Sumners

**4S**

Matviy H – excellent work in Geography when identifying what settlers need to survive. Miss Smith

Well done to class 4S and 3S for an excellent start on their nativity - it's a fantastic one and we're looking forward to you all seeing it in December! Miss Foster

**UPPER PREP**

**5F**

Oliver R for great work in geography on OS symbols and map work. Ms Forbes

Leonardo A for excellent effort in French, and singing along to the French Hallowe'en songs. Madame Swift

**6B**

Ben S for coming back into school with such a helpful and positive attitude and a smile on his face! Mrs Bastable

Phoebe F for writing a wonderful Halloween story! Mrs Seiver

**6S**

Hugo H for his confident delivery in the public speaking competition. Madame Swift

Teddy C-E – increased motivation and focus in lessons. Mr Barratt

Ryan B in 6B, Hattie C and George W, both in Year3 for their excellent Christmas card designs for the Chris Grayling card competition! Mrs Bastable

**7B**

Oscar P for great leadership captaining the U13D footy team v Tower House on Wednesday;

Max K for a great diagram in his recent investigation write up; Bertie Lewis excellent presentation with his investigation write-up. Mr Barratt

**7H**

Aurelia G & Elliott H for starting the week with positive energy and good work ethic. Mr Hendry

Euan B's numerical skills in French are amazing. He created his own quiz in French as part of a challenge. Keep up the hard work, Euan! Mr Regeling

**8F**

Kieran S for always working hard as the Upper Prep Head Prefect - it is noticed, and appreciated, by all staff, well done. Miss Foster

Sam W for improved confidence in sharing his ideas in PSHE, is it nice to see you being so open with the class. Miss Foster

Alex W for his positivity in Maths and Science lessons. Mr Barratt

Zac M – great attitude in lessons. Mr Barratt

Gabriel C for a fine piece of creative writing. Mr March

**UPPER PREP continued**

**8J**

Oscar E for resilience and coming back to school with a smile on his face. Mr Jackson

Mr Regeling is very impressed with Ozaan M's knowledge of flags and, in particular, his knowledge on which countries in the world have French as their official language.

Oscar E – on fire in Maths this week! Mr Barratt

Harry H – great practical work in Chromatography this week. Mr Barratt

**8L**

Dylan N has been an awesome member of 8L this term, he's always cheerful, engaged and chatty. Mr Laudy

Darcie F who produces absolutely outstanding prep week-in, week-out, in History. Mrs Haunstetter

**SENIORS**

**9R**

Enzo R for bringing a lot of joy to 9R, especially when he sings Dans le Vide for us acappella style. Mr Regeling

**9B**

Max W for his kindness and enthusiasm to all aspects of school life. Mrs Bray

Dylan B for his Kahoot skills. Mr Regeling was very impressed with Dylan's Kahoot skills although he does support the wrong Formula 1 driver! Mr Regeling

**9L**

Year 9 Maths with Mr Barratt; Zac M (9L) – Greater focus and attitude in lessons; Conor T (9L) – a mature attitude and a desire to succeed; Max R (9L) – showing great perseverance in some tough concepts this week.

Ed C for his consistent engagement with literature and his contributions to discussion. Mr March

Avaneesh G for his excellent presentation on The Porter in Macbeth. Mrs Bray

Youssef M for consistently good work and attitude in Computer Science. Mr Jackson

Youssef M's revision skills are impeccable. Did you know that he makes Quizlet quizzes for himself for every subject? Keep it up, Youssef! Mr Regeling

**10B**

Henry S is always polite and shows the Kingswood House Way. Mrs Black

Nathan A listens carefully to instructions and shows the value of endeavour. Mrs Black

Charlie L, Henry S and Tedd B-A have all shown great attainment in their quantitative chemistry assessment! Well done and keep up the good work! Miss Patel

**10P**

Tobias van H for showing the value of respect towards staff and his peers. Miss Patel

Lukas C puts a lot of effort into his Science work. He ensures that he has all model answers and listens carefully. Mrs Black

Year 10 - Daniel P, Rory S, Lukas C, Ivan T, Ben Ho, Ben Hu for their excellent behaviour when I covered their HPQ lesson. It was an absolute pleasure, and lovely to hear the topics they were each writing about. Madame Swift

Mrs Lindley's Year 10 maths class had Miss Foster for a cover lesson who said, they were fantastic in the lesson - they worked extremely hard, helped each other, worked respectfully and quietly. Miss Foster

Year 10 have been very impressive both before and after half term tackling their fieldwork write ups and our case study on Birmingham. Mr Laudy

SENIORS continued

11H

Well done to those students in 11H and 11W who are taking their coats off in the canteen now without being asked – you know who you are! Mrs Haunstetter

Folu A, Marcus G, Ted R and Jess D for their dedication to their studies and excellent time management skills. Mrs Bray

11W

Enan A, Jack B-A, Tyrwhitt B, Will H, Barnaby H, Nick H, Will M, Jo S all put on a good performance reading in Christ Church for the Harvest Festival Assembly last half term; they were all extremely helpful afterwards clearing away chairs as well without being asked. Well done. Mrs Weston

Enan A has been working extremely hard in Science. He is motivated and puts 100% effort into his work. Mrs Black

**We want your Remembrance Stories...!**

For this year's Remembrance Assembly after half term, there will be a very special 'Mentions in Dispatches' where we would like to recognise those members of your family, alive or dead, who served this country in some capacity during times of conflict.

This can include evacuees and non-military roles. If you would like to participate then please write a couple of sentences (or more) about the person, their role and significant facts.

Please feel free to mention more than one person. We did something similar a few years ago and this made the act of remembrance that much more personal and significant.

Please send your mentions and stories to:

[i.mitchell@kingswoodhouse.org](mailto:i.mitchell@kingswoodhouse.org)

Thank you in advance for your contributions.

The origin of the **jack o' lantern** comes from an Irish Myth about Stingy Jack, who tried to trick the Devil; when Jack died, God wouldn't allow him into Heaven and the Devil wouldn't allow him into Hell, so he was destined to roam the earth for eternity.

In Ireland they started to carve demonic faces out of turnips to frighten away Jack's wandering soul. When Irish immigrants moved to America, they began carving jack o' lanterns from pumpkins instead.

Carved pumpkins became associated with Hallowe'en because Hallowe'en is based on the ancient Celtic festival **Samhain**, the souls of those who had died that year would travel to another world, and other souls would visit their homes. Traditions began where people would wear disguises to hide themselves from the wandering souls, and the myth of Stingy Jack was incorporated into this, thus continuing with carved pumpkins. Happy Hallowe'en! *Madame Swift*

# SPORTS RESULTS

## KHS vs Cranmore

**Senior A** 6-0 loss; Player of the Match Theo M (9L)

**Senior B** 3-1 loss; Player of the Match Zac M (9L); Goal Scorer – Dylan B (9B) This was a tight match throughout with some great end to end action and lots of chances created. Unfortunately KHS were unable to capitalise on a dominant second half and suffered a tight and deflating defeat as a result. All the pupils played very well and represented the school with great endeavour and respect.

**Senior C** 9-3 loss; Player of the Match – Max W (9B)

## KHS vs Duke of Kent

**U13A** 7-4 win; Player of the Match George D (8J); Goal Scorers – George D x3, Harvey M (7B) x3, Harrison W (8L) After a slow start KHS found themselves behind by two goals through sloppy mistakes and a lack of concentration. However, the team showed great endeavour to get back into the game and found themselves level at half time with the score 3-3. The second half showed the class and skill that the U13A's have shown all season with the midfield controlling the game and playing some lovely football. KHS took their chances in the second half and finished of the game in style with a Harvey M special from around 25-30 yards. Another great result against a good DOK side.

**U13B** 3-1 loss; Player of the Match Josh S (8J) and Khishaan T (8J).

**U13C** 4-3 loss; What a great game in some very muddy conditions. Huge spirit and great sportsmanship evident Notable mentions to Henry S (7B) in goal, Rhys B (7B), Chris K (7H), Byron M (7H), Conor M-A (8F) and Tom R (8J) Most Valuable player = Henry S, well done!

**Colts A** 2-1 loss; Goal by Cameron E (6S). Player of the Match Zack B-A (5F).

**Colts B** 5-0 loss. Considering KHS were 4-0 down at half time the second half was much better. Gaby C-A (6S) was simply amazing in goal against a strong side and awarded Player of the Match. Notable performances from Harry R (6S) and Henry W (5F)

**Colts C** 6-1 loss; Goal Scorer Dexter B (6S); Player of the Match Ben S (6B)

Dear Parents

You will have seen the communication from Mr Murphy about the application proposal to redevelop the school site and of course we are asking for all your support in blocking this; the only way to be heard is to lodge an objection on the council website: [here](#)

<https://eplanning.epsom-ewell.gov.uk/online-applications/applicationDetails.do?keyVal=RJP5VYGYHVX00&activeTab=summary>

There is also a Facebook group that has been set up externally that you can follow for latest updates; just search for 'Support Kingswood House School'

Thank you in advance for your continued loyalty and support.

*Catch the Last Post!*

Year 1 have been working so hard on their Zog postcards and Zog Diaries for English Enrichment. They went on a jolly walk in the mild Autumn sunshine at the end of last half term to Epsom Common to post their postcards and then feed the ducks!

Mrs Martins

*Eco Club*

Miss Hylands and a couple of new Eco Club members have been busy planting some new herbs and vegetables ready for the spring; they have planted, Daffodil bulbs, Broccoli, Garlic and Basil. The carrots are growing day by day and they are looking forward to eating them in the Spring!

They have put together some top tips for saving energy at home, we hope that you find them useful.....

Top Tips for Saving Energy at Home!

- Make sure to switch off the lights when you leave a room.
- Turn off the tap when you're not using it. For example, when you are brushing your teeth or washing hands.
- Put on a jumper or a pair of thick socks instead of turning the heating on.
- Make sure to close the door when you enter the house, so that you don't let the heating out.
- Switch off the television and any consoles when you're not using them.
- Turn off, or unplug electrical items when finished with them. Some devices use energy even when they aren't on. For example, the kettle, phone chargers, lamps and fans.

Well done George 🙌🙌 08:02

Well done to George D (8J) who is the top goal scorer across all ages in the Surrey League. Great to have you playing for our KHS teams as well! *Mr Hendry*

*We have a range of Poppy items for sale in the Office—please send your child in with an amount you wish to donate.*

*Zip pulls are 50p; reflectors, silicon wristbands and snap bands are £2. Poppies are your chosen donation.*

THE ROYAL BRITISH LEGION  
**POPPY APPEAL**

**VEXILLOLOGY:** In French, we have been thinking about La Francophonie and the fact that French isn't just taught in France but elsewhere around the world. Our prep students were asked to do research on another French-speaking country, other than France, and to decorate their French exercise book with the flag of that country—there were some great visuals produced! *Mr Regeling*

Details of our **KINGSWOOD ACTIVE** programme running in the Christmas holiday are now on the website [here](#) if you wish to book; open to non KHS pupils as well. All enquiries to Mr Clarke on [kingswoodactive@kingswoodhouse.org](mailto:kingswoodactive@kingswoodhouse.org)

**David Lloyd**  
CLUBS

David Lloyd Epsom are looking to offer a **complimentary family day pass** to all staff and parents at Kingswood House. This would give the opportunity to come and experience our club facilities for the day, with their family, free of charge.

The Club has a state of the art gym—recently undergone a £500,000 investment - children aged 10+ years can use the gym with a parent, aged 14+ years can use it alone.

2 swimming pools; indoors and outdoors (both heated) - swimming lessons available.

7 tennis courts; 4 indoors and 3 outdoors - tennis lessons available.

A range of both adult, children and family group exercise classes including the exciting new Blaze Rebels!

The day pass would need to be pre-booked via our sales team by either calling us directly on 01372 731 470 or by emailing [sales.epsom@davidlloyd.co.uk](mailto:sales.epsom@davidlloyd.co.uk) and quoting *Kingswood House*

David Lloyd Epsom is located at Central Boiler House, Horton Lane, Epsom, Surrey, KT19 8PL

## Black History Month

Black History Month was created to focus attention on the contributions of African Americans to the United States. It honours all Black people from all periods of U.S. history, from the enslaved people first brought over from Africa in the early 17th century, to African Americans living in the United States today. They commemorate it in February each year. Other countries have also adopted the idea from the USA, though in Britain we designate the month of October to its focus.

Mrs Haunstetter reports on the month's work in school...

"At KHS we have marked Black History Month this year in a number of ways, to help students recognise the impact that Black people have on all aspects of our lives. Miss Foster put together a play list of music and songs by Black musicians from a variety of genres, which we could all listen to during registration. I don't think 11H appreciated my 80s taste in music! In the Study Centre, Miss Smith used a comprehension task about Walter Tull in her English Functional Skills class. Walter Tull was a professional footballer, who served as an officer in the First World War and was killed in 1918. Miss Smith's GCSE English group have written an article to persuade people to sign a petition (fictional!) for Walter to be awarded his Military Cross. Elsewhere in the school, PHSE has been used as a time to reflect, research and recognise. For example, the Y9s have delivered some excellent presentations on significant individuals in History, whilst 10P have been focusing on the work and advancements of Black Scientists, with Miss Patel—see below some examples.

HL1

Marie Curie

Full name: Marie Curie  
Date of Birth: 17 October, 1867  
Place of Birth: Warsaw, Poland

Early Life:

Marie Curie was born in Poland. She was the youngest of 5 children. Born to a maintenance worker and an elementary school teacher. She wanted to become a scientist ever since she was a kid. She also really liked dancing. In her mind, her love for dance supported her love for science. Her parents are Marie Sklodowska and Bronia.

19-10-2

Key Achievements:

- The first African-American woman in space
- Curie was the science mission specialist on the flight
- She is a trained medical doctor
- She began college at Stanford university to study chemical engineering when she was only 16 years old

Across Year 9, students were given the opportunity of researching one of twenty-eight British Black people who have contributed significantly to the 'Making of Modern Britain'. The list of twenty-eight personalities included not only historical figures such as Ignatius Sancho (writer, abolitionist and ex-slave) and William Cuffey (Chartist), but well-known contemporary trailblazers such as Nicola Adams and Sir Lenny Henry. Pupils got the chance to study less well-known, but highly influential individuals, such as Dr

Inspirational Scientist Fact File

Full Name: Marie Maynard Daly  
Date of Birth: 16th April 1921  
Place of Birth: New York City  
Date of Death: 28 October 2003

Early Life:

Marie Maynard was born on April 16th 1921 in Queens, New York. Marie came from a family that believed strongly in the power of education. Her father, Ivan C., had emigrated from the west Indies as a young man and enrolled at Cornell University to study chemistry. She worked as an 'Instructor' at Howard. She had fellowships both to NYU and Columbia University. She made several important scientific contributions. She was also the first black American woman to earn a chemistry PhD.

Key Achievements:

Her research disclosed the relationship between high cholesterol and clogged arteries and increased our understanding of how foods and diet affect the health of the heart and the circulatory system. Marie also taught biochemistry at Columbia College of Physicians and Surgeons.

Paul Stephenson, who led the successful Bristol Bus Boycott which paved the way for the 1965 Race Relations Act. Another notable person on the list was Dame Linda Dobbs, the first non-white person to be appointed to the senior judiciary of England and Wales. Each pupil wrote a three-hundred-word biography on their chosen person, and these will appear in a small exhibition in the near future.

Finally, Nelson Mandela was remembered as a key figure from history for all that he achieved in South Africa, by Mr Sukhdeo in Senior Pupil Briefing, and it seems appropriate to conclude with some words from 'Madiba',

**"Education is the most powerful weapon which you can use to change the world."**

## Touchy Feely Time!

Year 1 pupils have started their new topic in Science on 'Everyday Materials'. They discussed and explored a whole range of materials and were able to touch and feel lots of them for example, wood, metal, plastic, fabric and elastic. The class then went outside to discover where these materials are found in school and understand what job they are doing where and why! The children were so engaged in the lesson and enjoyed discovering where everyday materials are found and how they can recognise them. *Miss Smith*

## TIMES TABLES ROCKSTARS

*Mrs Lindley reveals,*  
**October's Times Table Rockstars winners are:**

Cyril B-D (8J)

for most improved speed in the school.

Oliver S (8F)

for achieving the status of 'Rock Legend' and

Baily M (3S)

for maintaining his 'Top Lifetime Earnings' award in the school!

**CONGRATULATIONS TO ALL OF YOU!**

*Look out for more Maths Enrichment throughout this half term from Mrs Lindley...*

***Loyal Service Award!***

The school was delighted to honour our Caretaker, Mr Paul Hylands, for his thirty years of employment at KHS! Mr Richard Evans, Chair of Governors, and Mr Murphy, Headmaster, spoke on behalf of the school community— reminding us that when Paul started in role, John Major was Prime Minister and milk cost 34 pence a pint! Paul’s long standing good humour and patience were recognised as he was given a token of our appreciation and thanks. His daughter, Miss Gemma Hylands, was there amongst other staff to witness her dad’s loyalty and hard work for the school. Congratulations, Paul!

***We are Hiring!***

We are looking to recruit a Kitchen Assistant to work part-time, term time only x15 hours a week 11:30am-2:30pm alongside our wonderful chef Jane Chandler and her strong team. Do you know anyone who may be suitable for the role and interested? We are a great school to work for!

Contact [Sally Witts](#) for more details!

During our **Maths Enrichment** this half term, Mrs Lindley will be providing a cheeky little puzzle for us all to have a go at over the weekend with family...here we go! Submit your answers to [g.lindley@kingswoodhouse.org](mailto:g.lindley@kingswoodhouse.org) to see if you were right.

Hungry Horace has bought a large doughnut to share with his friends at a party.

The doughnut has a hole in it as shown.

Horace has invited eight people to his house, including Greedy Graham, Fab Freda and Tidy Tina.

Fortunately, none of Horace's friends mind how much they get, as long as they get something.

How can Horace cut the doughnut into nine pieces USING AS FEW STRAIGHT CUTS AS POSSIBLE?

*Class 8J presented their Assembly on the traditions and customs of Diwali; it is important to appreciate each other's different faiths and cultures. Mr Jackson*

### Public Service Recognised

Congratulations to Will M (11W) who took part in his police cadets passing out parade during half term at the Guildhall in London.

He had to march from the HAC and parade in front of a large audience including the City of London Mayor.

He has volunteered as security at an event recently and will be also part of the Remembrance Day Service in London; well done for pursuing this passion of yours Will, and showing such commitment to public service.

*Our very own Miss Luff in the back row and Miss Smith on the wing, found themselves on opposing sides of the rugby pitch during a recent fixture for Richmond vs Beckenham. Fantastic role models, ladies!*

### Money and Mental Health

Ms Timothy has shared the following link which has advice for parents navigating money and mental health issues within the family.

Please don't feel alone with your concerns—take a read [here](#).

*The new Mrs Angus caught reading in an unusual place...!*

*“Reading in Unusual Places” was the culmination of English Enrichment over half-term!*

*Mr March has been delighted to see all your locations for reading over half term—from the Sultan’s Library in the Topaki Palace in Istanbul, to other exotic locations on land and water, here and abroad—with the odd lobster and sea-lion thrown in for good measure!*

*Thank you for all your contributions!*

WE  
LOVE
