Dear Parents

There has been a strong focus on anti-bullying this week in order to raise awareness of this important topic as well as to expedite lines of communication for any individual who feels that they are a victim. We are fortunate to have a community at KHS where everyone knows everyone else, which in itself is a powerful deterrent, as well as a tangible school culture instilled in the values of the Kingswood House Way which engenders an environment where everyone is encouraged to be friendly, kind and tolerant.

In practical terms, it is worth reminding you that on top of our teaching and management staff structure, we have a dedicated ELSA in the form of the fantastic Ms Timothy who is now full-time and accessible to parents and pupils if the need requires. I believe that prevention is always better than cure – and we shall continue to positively reinforce key messages through Assemblies, PSHE Lessons, Form Time and Divisional Meetings.

## The Kingswood House Way

On Monday, we started the week by celebrating “Odd Socks Day” which is a visible method of conveying the message that it is acceptable to be different to conventional, pre-conceived ideals. Thank you to Form 7H who presented a super assembly on Wednesday morning in which the boys and girls outlined examples and solutions for behaviours in a peer group which might be construed as bullying; they spoke with great empathy and intelligence about quite complex subject matter.

Meanwhile, I thoroughly enjoyed an hour with the Year 11 students this week to explain about Jury Service and the civic responsibility that this entails; if you remember, I undertook the role of a juror earlier in the term so I was able to articulate my experiences to them from a fresh perspective. They were an attentive audience and asked some excellent questions. Of course, I pointed out that the eldest amongst them is just 18 months away from the prospect of being selected – which was a wake up call!

There is plenty to look forward to next week but in the meantime I wish you a restful weekend – on a personal note, I am looking forward to a day out at Twickenham on Saturday with my predecessor, Mr Brooks, where we shall fly the KHS flag!

Yours sincerely

Duncan Murphy

Headmaster & CEO

We'll be wearing odd socks with the Anti-Bullying Alliance and their patrons, Andy and the Odd Socks, on Monday 14<sup>th</sup> November for Odd Socks Day. Will you?

Odd Socks Day

*From Mr Sukhdeo for our Senior pupils...*

Chessington School - Information evening regarding Cricket, Basketball and Football academies, studying BTEC Sports Level 3.

Sixth Form Sports Academy Information Evening, Thursday 24th November at 5:30pm - [book seats here](#).

[Sixth Form Sports Academy Application Form](#) for September 2023 entry (current Year 11s if interested)

Please find Mr Murphy's topical thoughts for the week and the pupils who have been 'Mentioned in Dispatches' for something noteworthy recently: [here](#)

**LOWER PREP**

**1M**

Bacchus M-D for his progress in Maths with a rapid recall of subtraction facts, small numbers & maths vocabulary. Well done Bacchus! Mrs Martins

**3S**

Mahenau A for always being a cheerful face even when it's raining. Miss Sumners

Mahenau A was very polite today and held the door open for the senior boys, very respectful. Miss Hylands

**4S**

Beatrix S for excellent work when finding the features of instruction and explanation texts in English. Miss Smith

**UPPER PREP**

**5F**

William N-B for some great work in Science this week on our topic of 'dissolving'. Ms Forbes

**6B**

Oliver R for putting in additional effort in Art and being super creative! Mrs Bastable

Seb H made a fabulous effort in the Times Table Rockstars competition to start off the Maths Enrichment programme. Mr Clarke

Elliot W for excellent contribution and knowledge of subject pronouns in French. Madame Swift

**6S**

Fraser S for a lovely piece of creative writing. Madame Swift

**7B**

Lily-Rose M for being a clean queen at the end of a messy art lesson! Mrs Bastable

**7H**

Eddie B, Ava D & Aurelia G for always bringing a fun and entertaining buzz to form time. Mr Hendry

Isla M for always being interested and keen to learn in my class. Mr Jackson

Every player in the U13 A team were exceptional at the remembrance game at Parkside on Friday and performed valiantly to get a great 2-2 draw from 2-0 down! Mr Hendry

Well done Oscar E, challenging and pushing himself in Maths. Mrs Lindley

**8F**

Henry R for entertaining the class with Karaoke during wet break. Lovely to hear your confidence to play the piano in front of your peers. Miss Foster

Zac M for excellent attention in his lessons, lovely to hear your progress. Miss Foster

**UPPER PREP *continued...***

**8J**

Ozaan M for his excellent attitude and hard work in all of his lessons. Mr Jackson

Tommy V-M for his excellent insightful analysis of 'The Book Thief'. Mrs Bray

Stanley B-D for his enthusiasm and effort in all lessons. Keep pushing yourself. Mrs Lindley

Stanley B-D Great focus in Science lessons. Mr Barratt

Ezra O-W – Full of ideas in Science! Mr Barratt

**8L**

Freija K continues to work hard in Geography and it is always impressive to see that she readily asks for help whenever she needs it. Mr Laudy

Pippa T (8L) Kieran S (8F) and Dylan N (8L) for being great prefects for 6S during wet break – thank you. Madame Swift

Derin U for being a super helper during wet-break! Mrs Bastable

The entire Y8 French cohort for their level of endeavour and seriousness when learning how to tell time in French! Monsieur Regeling

**SENIORS**

**9R**

Sam C and Ethan C for their contribution to this year's Remembrance Day. Mr Regeling

Sam C - good effort and understanding in Maths. Mr Barratt

**9B**

Ibrahim M for offering to help me in the mornings and his general respectful attitude. Mrs Bray

Henry T - whilst I was explaining content to another student I overheard Henry helping another student and explaining the work to them. This was a great show of Henry's integrity and kindness to others and it was great that he was confident enough with the work to support another student! Miss Patel

**9L**

Great job Max R, taking care with his work and despite finding Maths challenging he listens to feedback and always tries to improve his Maths. Mrs Lindley

**10B**

Matthew M was selected to march in his local Remembrance Parade - he represented his cadet unit and should be proud of himself. Well done, Matthew. Mrs Black

Olly W has worked consistently hard this year, he is proving himself to be a very able Mathematician. Mrs Lindley

**10P**

Zachary F has been showing some great maturity and self-reflection this week! Miss Patel

Charlie L (10B) and Bogdan P(10P) both did very well in their end of topic test. Mrs Weston

Mr Sukhdeo's Year 10 maths group who worked so hard on the new topic of 'completing the square' – well done!

Ruari F (10P) & Daniel P (10B) for their improved focus and effort in lessons- your contribution to lessons this week has been excellent!

**SENIORS continued...**

**11H**

'Caught Being Good' award to Ethan S who encouraged his peers to make sure they cleared away after themselves and then went on to tidy rubbish from other tables, he did this all without being asked and without a big fuss. Mrs Haunstetter & Miss Patel

**11W**

Zac A has overcome recent personal adversity but has continued to remain level headed and measured in school life. Mrs Weston  
Will M shows great pride in everything that he does with his cadet unit - he also marched on Remembrance Day. Well done Will!  
Mrs Black

Well done everyone for your contributions to the House Times Tables Battle. A nail-biting finish but Nelson came out on top overall.  
Mrs Lindley

There was a massive push at the weekend as the tournament drew to a close and it was valiant effort from all houses. The tournament has closed and the scores are in...

**1st Nelson**

**2nd Wellington**

**3rd Drake**

**4th Marlborough**

Our top pupils from each house also received a prize on Wednesday in assembly.

Zachary B (5F) for Nelson; Peter S (7H) for Wellington; Karen L (1M) for Drake and Charles R (9R) for Marlborough.

See later in the Newsletter for more **Maths Enrichment** news...

House points - this week - Whole School

House points - totals - Whole School

# SPORTS RESULTS

## KHS vs Belmont

**U13 Netball** Despite the score going against us at Belmont, the girls stuck at it and played all quarters with their greatest efforts. Belmont were a well drilled attacking team which made it hard for Kingswood House, however Amalie L (8L) our Player of the Match, on multiple occasions intercepted the ball and allowed KHS to move into Belmont's defensive third. Well played everyone! Mr Westcott

## KHS vs Homefield, U9 Football

U9A 5-1; well done to our goal scorer Matviy H (4S); Player of the Match was POTM Bailey M (3S)—all round worked really hard.

U9B 8-0; Player of the Match Leo J (3S) and a Special Mention to Zayn J (4S) for some fantastic saves in goal and to Phoebe W (4S) for good her captaining of the side trying to keep spirits up. The pupils started off well, with some brilliant passes and movement. They were positive throughout the match despite the score line; always worked hard and never gave up in true KHS style!

U9C 4-1; The KHS team showed excellent sportsmanship and were looking after each other on the pitch. They were respectful to the other team and thoroughly enjoyed themselves. Player of the Match was Mahe Nau A (3S), the opposition came in many times trying to score but she showed great skill in the goal and was able to save the ball many times. A Special Mention to Dillen S (3S) who was working really hard up and down the pitch. He went in to tackle when he could and always followed the ball. Encouraging.

## KHS vs Parkside

### U13 Remembrance Match

Every player in the U13 A team was exceptional at the Remembrance Game at Parkside last Friday and performed valiantly to get a great 2-2 draw from 2-0 down! Superb endeavour on the pitch and gamesmanship befitting the occasion. *Mr Hendry*

## Philanthropy Studies

Y7 have been studying the teachings found in Christian and other world-wide religions in their attitude towards wealth.

We talked about philanthropy and what it means and considered various historic and modern-day examples; the pupils all picked a philanthropist, researched and wrote a fact file then presented it to the rest of the class.

It was a great session of peer assisted learning.  
Mrs Weston

Everyone enjoyed our Drake House Afternoon fund raising for the Children in Need charity. We raised £591! Thank you.

# JOSEPH AND HIS AMAZING TECHNICOLOUR DREAM COAT

## **Drama Production 2023!**

Mrs Horley writes, "All parts for 'Joseph and His Amazing Technicolour Dream Coat' are now cast and rehearsals are going well. In addition, costume design and making will be underway soon. We are in the process of putting set, props and lighting designs together. This production is a popular, fast paced, family-friendly retelling of the story of Joseph and his brothers; made famous by Jason Donovan's West End performances the toe-tapping musical numbers will get everyone singing along and dancing in the aisles (we hope!)"

**Ticket Sales:** Please drum up as much advance audience support as you can from family and friends. There will be a short priority booking period for the cast very soon which I will let you know about.

**Cast Biographies:** Please remind your performer to do this; we need a short, informal biography which will be printed in the programme alongside their picture. Between 80-100 words, please. Biographies to be returned to me [Mrs Horley](#) no later than Wednesday 14th December, thank you.

**Booster / Best Wishes messages:** Please would you and/or other members of your family consider sponsoring a booster / 'break a leg' message to your cast member? Your message, of up to 40 words, will appear in our production souvenir programme for just £15. It would be great to see all cast members supported by at least one message.

**Business Advertising in Programme:** Please do get in touch with [Mrs Earl](#) if you have a family business and wish to place an advert in the programme at excellent rates.

Thank you for all your support in advance for the production, we look forward to seeing you in the audience in February!"

Well done to Isla, George and Rufus, all in 7H, who have set up a 'Table Top Club' on Tuesday and Thursday lunchtimes, playing a range of board games for those who want to join in...

1:15-2:00pm in KW1

### **Unique Year 3**

Class 3S have enjoyed reading 'The Christmasaurus' by Tom Fletcher which gave them a chance to explore the theme of uniqueness and how special each individual is; one lesson coincided with odd socks day, which helped drive the message home even further that we can celebrate our differences and 'oddities' and truly appreciate each other for who we are! Miss Sumners

# THE POWER OF WORDS

King Charles III celebrated his birthday on 14<sup>th</sup> November, but it is thought that he will follow in the late Queen's footsteps and also have an official birthday. But when did the tradition of the monarch having two birthdays begin?

It was started by King George II in 1748. He wanted to have a public celebration to mark the occasion of his

birthday, but as November was too cold, he decided to tie the celebrations in with the annual *Trooping the Colour* military parade. Meaning that he would mark his birthday twice: privately in November, and publicly in the Spring!

**Happy Birthday Your Majesty**

**BARNABUS**  
Bringing hope to the homeless and vulnerable

We raised an INCREDIBLE £592.91 on Drake House Afternoon last week... thank you for all your support. The donation went to their chosen charity BBC Children in Need.

There has also been a donation of £388.45 to Barnabus Trust in Manchester from the Year 9 Enterprise Fair.

A notice from Mr Clarke about a concert by the band *Here At Last*; they performed at our Jollies in the Summer and notice from Mrs Witts of a charity, pre-loved table-top sale.

LIVE MUSIC, A REAL VIB MUSIC AND FILM CONCEPT BY ARRANGEMENT WITH TITANICUM & DAM THELOVE

**HERE AT LAST**

IF YOUR SCHOOL, SCOUTS OR GIRL GUIDES ARE INTERESTED IN RUNNING COACHES TO OUR SHOW AT THE SHEPHERDS BUSH EMPIRE WE CAN GIVE THE FOLLOWING PACKAGES:

- DISCOUNTED TICKETS • EXCLUSIVE HERE AT LAST T-SHIRTS WITH SCHOOL NAME AND DATE •
- RESERVED SEATING AREA • SIGNED PRIZES FOR PTA RAFFLES •
- AN EXCLUSIVE MENTAL HEALTH VIDEO PERSONALISED FOR YOUR SCHOOL •
- PERSONALISED MESSAGE TO A STUDENT WHO HAS OUTPERFORMED •
- ENTERED INTO A COMPETITION TO WIN A HERE AT LAST GUITAR •

FOR MORE INFORMATION, TEACHERS, LEADERS, PARENTS OR PTA

Enjoy home baked refreshments.

Limited parking on the school site on Epsom Rd or Garland Rd.

Donations of high quality clothing and other items will be gratefully received from November 1st, for offers of help or deliveries please contact us on either 01372650908 or [www.freewheelers theatre.co.uk](http://www.freewheelers theatre.co.uk)

**freewheelers**  
Theatre & Media Company

Charity Number: 1142638

*Thank you to Form 7H for their class assembly spreading the anti-bullying message in #antibullyingweek2022*

Mrs Bray held another School Council meeting this week and some of the points that were raised from the agenda to be actioned were as follows...

- 'Fish & Chip Friday' to be reinstated!
- A wider range of sandwiches on offer; pupils will be balloted for their favourite filling suggestions and these then proposed to the kitchen for consideration.
- The possibility for Senior pupils to go into lunch on rotation.
- Seniors would like to receive more house points. This will be put to the staff today.
- Students would like to purchase KHS logo cool bags so that sandwiches and packed lunches do not get ruined during school trips.

*Cross Curricular Maths Enrichment*

Following our Maths Enrichment focus, Year 4 did some cross-curricular, fun Maths activities in French. In pairs they took it in turns to throw two dice, count the numbers in French and if they had the matching number on their sheet, they could colour it in; the first to colour all their numbers was the winner! *Madame Swift*

Well done to our U14 football team who played against Belmont in very difficult, slippery conditions.

Despite being down 2-0 at half time they fought back with great endeavour to get the score-line to a 2-2 draw.

Well done, everyone!

*Mr Hendry*

### Maths Enrichment

**Last week's solution:** The bear is white because you are stood at the North Pole.

**This Week's Puzzle:** How many triangles can you see in this picture, left?

You could even try making up your own image, composed of triangles, as a puzzle for family and friends...

### Week 3 - STEAM and Workshops

This week the pupils have enjoyed workshops presented by [As Creatives](#) whose practical workshops allow pupils to apply their skills, see Maths in a fun, new light and explore new worlds of Maths and see the links formed between the fields of Science, Technology, Engineering, Art and Mathematics.

Year 7-11 took part in 'The Trading Game' and Year 1-6 took part in 'The Race to Space'. Both Maths workshops were practical and creative for all ages and put maths into context and actively promoted the three keystones of the National Curriculum: fluency, reasoning and problem-solving. Over half a million children and young people have taken part in one of our Creative Maths workshops.

Situated in "fictional worlds", our workshops offer opportunities to practice skills with numbers, shapes and concepts in exciting, imaginative and interactive ways. Mrs Lindley, head of Maths and other staff were delighted at the behaviour and curiosity of all the year groups, and we hope to welcome the team of As Creatives back to school next year.

For photos of the Years 7-11 workshops see later in the Newsletter; Years 1-6 workshops happening as we go to print—more pictures next week! Mrs Lindley

Well done to all our pupils who took part in the Times Table Rockstars Tournament; please keep practising your times tables—awards are monthly and there will be further tournaments each term so, if you didn't win this time there'll be another chance throughout the year! Nelson were the overall winners this time round but the most valuable players for each house were:

**Nelson** - Zachary B (5F) Youssef M (9L) and Elliot H (7H)

**Wellington** - Peter S (7H) Sebastian H (6B) and Sebastian P (6S)

**Drake** - Karen L (1M) Ayaan S (9L) and Dillen S (3S)

**Marlborough** - Charles R (9R) Christopher K (7H) and Zac M (9L).

## Year 5 and 6 Maths Challenge

Brilliant results from all of Year 5 and 6 with their Maths Challenge who received a certificate from Mr Mitchell in Assembly on Wednesday. Well done to certain pupils who achieved these higher awards...

**Gold awards** Elody T (6B) Seb P (6S) & Gregory C (5F)

**Silver awards** Dexter B (6S) Hugo H (6S) & Leonardo A (5F)

**Bronze awards** Cameron E (6S) Dominic A (6S) Max W (6S) Toby H (5F) & Hugh H (5F)

# JUNIOR MATHS CHALLENGE

Male Mental Health— a note from our ELSA, Ms Timothy,

*“This November, the youth mental health charity [stem4](#) is focusing on supporting the mental health of boys and young men. Whilst there is a focus on building confidence and self-esteem in girls, boys can struggle with self-esteem too. Boys and young men often have to conform to gender stereotypes which set standards based on ‘strength’, both physical and emotional, as well as encourage competition and advantage. Boys and young men often express low self-esteem differently. Some may act out through challenging behaviours, whilst others may ‘escape’ into distraction behaviours or withdraw”.*

The charity is offering a **free webinar** that may help parents / guardians / carers with the following areas,

- early warning signs of low self-esteem and self-worth in boys and young men;
- identifying when eating issues might turn into eating disorders;
- management of muscle dysmorphia;
- practical ways in which parents and carers might engage with and address some of these concerns.

Register for free [here](#) **Thursday 24.11.2022 7pm.**

Year 5 have been studying states of matter this term. This week we have been looking at dissolving. There was some super scientific investigation and skills in evidence—well done class!

*Ms Forbes*

*Poetry Corner!*

Well done to Ryan B (6B) who wrote the following simple, yet elegant poem in rhyming couplets all about colour. He followed Mrs Seiver's instructions really carefully in class and achieved a pleasing result whilst learning independently.

**Colour: Red**

*What is red? A ruby is red*

*Sitting on the king's head.*

**Colour: White**

*What is white? A star is white*

*Shining out a silver light.*

**Colour: Yellow**

*What is yellow? A sunflower is yellow*

*Standing in the garden like a cello.*

**Colour: Pink**

*What is pink? A blossom is pink*

*Growing tall by the ice rink.*

**DECK THE HALLS**

**CHRISTMAS LIGHT SWITCH ON**

featuring the cast of Dick Whittington from Epsom Playhouse, Father Christmas and Ashley Bear!

**3 PM - 6:30 PM**  
**SATURDAY 19<sup>TH</sup> NOVEMBER**

The Ashley Centre  
TO FIND OUT MORE, VISIT [www.theashleycentre.co.uk](http://www.theashleycentre.co.uk)

THE HOME OF CHRISTMAS

Mrs O'Shea has a message for her Year 9s...

"I would like to commend Year 9 for their excellent work in MOMB – the groups have demonstrated insight, political knowledge and a great deal of enthusiasm in the lessons. They have gained a lot of understanding and knowledge throughout the course".

Well done, everyone.

Monday 14th November was **World Diabetes Day**: someone is diagnosed with diabetes every 2-minutes. This date was chosen as the date as it was the birthday of Frederick Banting, who discovered insulin.

Last year it was thought there were 463 million adults living with diabetes in the UK; this number is expected to rise to 578 million by 2030. Diabetes is a lifelong condition that causes a person's blood sugar (glucose) level to become too high. This can happen when your body doesn't produce enough insulin or the insulin it produces isn't effective. Sometimes, people's bodies do not produce any insulin at all. There are two main types of diabetes: type 1 and type 2. Type 2 diabetes is far more common; around 90% of all adults with diabetes have type 2. Diabetes UK have produced this [video](#) to help people to understand a bit more about what diabetes is.

## SECOND HAND UNIFORM SALE - All School

Dear Parents

We have a second hand uniform sale which the KHA are kindly running this coming Monday, 21st November at 3pm until 5pm in the Dining Hall.

This is a great chance to purchase bigger sizes/spares at great prices.

Any enquiries to [Yinka Ayeni](#)

### *Citizenship Talk with the Headmaster*

Our Year 11 students enjoyed an hour's workshop with Mr Murphy this week during which explained the process and significance of Jury Service as well as his experience of undertaking two cases back in September.

**#citizenship**

*Mr Laudy's Year 7 geographers studied the microclimate around school; they used thermometers, anemometers and compass' to investigate the various microclimates and aspects that influence them.*

*Don't forget to look out for Sophie T (7B) who will be singing with her Stage Coach troupe of singers and dancers tonight on Children in Need! She has been working hard for the performance which was filmed at the Natural History Museum, London a few weeks ago. Well done, Sophie!*

KHS pupils are pictured enjoying our first set of maths workshops on Thursday for those in Years 7—11; practical, creative and collaborative work ensured mathematics was brought to life and engaged everyone beyond their basic number skills! Thank you to Mrs Lindley for organising and “As Creatives” for presenting to us.
