Drop off

Children need to be dropped off between 0815 and 0845 at the front of school. Staff will be available to open the gate and send children to their designated space to start the day. Parents will not be allowed on the school premises and should only be present for the time required to drop off and pick up their child.

Pick Up

Children will be escorted to the car park off Manor Green Road at the bottom of the school field at 15:55 for collection. A member of staff whose responsibility it will be to see them off safely will escort each group. Parents will need to be patient because children must be excused one at a time.

Facilities

Children will register and be based in groups which are age appropriate and with friends where appropriate.

There will be multiple options throughout the day to make sure that children are active and enjoy every aspect of the day.

Most rooms have large bi-fold which, when opened double the room size and desks will be spread out accordingly. All rooms are equipped with separate bins for tissues and a range of cleaning products. The school will be cleaned at various times throughout the school day. There will be a dedicated outside space as well for each group.

Registration & activities
