

Serva Fidem

Interim Headmaster: Mr Liam Clarke

Years 1-4 Design and Technology Club

Dear Parents

We will be running an after school club for pupils in years 1-4 on Mondays from 4.05pm to 4.50pm in the DT room.

This is a great opportunity for boys and girls with design ideas, to be able to use the equipment in our DT room.

Students will be able to use a range of hand and machine tools, after passing a skills test with the teacher. The aim is to give the pupils an opportunity to use their hand skills and create models and items of their own design. We will be working with cardboard, Perspex and various wood products. If you would like to find out more about what is available, please feel free to drop in to the D&T room or email me on c.belcher@kingswoodhouse.org

Due to the popularity of the club and health and safety considerations, there is a limit to the number of pupils each session. Places will be allocated on a first come, first served basis. [Please email the application form to me to reserve a place in the Club.](#)

Please note there will be a charge of £25.00 per term towards the cost of materials. You can confirm that you accept this charge, which will be added to your fees, by signing below.

Chris Belcher
Head of Design and Technology.
