What's On Weekly

Wellington House Day!
Fundraising for The Teenage Cancer Trust—£298.13 was sent off to them after our event.

Congratulations to Chris K (8L) who has been selected for the England Hockey Talent Academy pathway; usually reserved for U16 & U18 players so we are delighted to see his success at only 13 years old! He tells us, "We drew our first game 2-2 with South London and then had an amazing victory against Buckinghamshire 4-3 which also gave me an opportunity to score my first goal for Surrey and assist 3 out of 4 goals".

Class 2M enjoying an outside sunny spot for some work on their whiteboards...

Off they go!
Year 9 on their practice expedition in the Surrey Hills.

Some wonderfully creative, articulated puppets from Year 2 in response to their work on The Mousehole Cat. Mrs Martins

Year 10 pupils enjoying some time with our new Head of Drama who was in school recently to start to get to know the students.

Here are a few photos from Pakesham Golf Centre for Year 7&8 Games last week. Pupils are really enjoying their sessions so far having expert tuition from the coaches on the driving range and golf course. Mrs Jennings

Year 9 getting to grips with clay techniques

Year 9 & 10 gym session at Ascension gym...

...and some of our Seniors at Patesham driving range for those who prefer this type of activity!

The bacon butties went down a treat at the Maths Workshop run by Mrs Pengelly on Friday morning for parents with children in Years 2, 4 and 5! They soon moved over to the classrooms and joined their son or daughter for a fully interactive 'lesson' which hopefully dispelled any number worries and gave an insight into our mathematical-teaching styles here at KHS.
